

# HUM 2273 Asia, Colonialism, Film

Fall 2023. Z 85774. Fridays 11:00-11:59am

Instructor: Dr. T. J. O'Connell

Fridays 11:00-11:59am

## I. Introduction

This historical introduction discusses the role of film in the study of Asia and colonialism. It explores how film has been used to represent and construct the East, often through a colonialist lens. The course will examine various films and scholarly texts that analyze these representations and their impact on our understanding of the region.

## II. The Introduction of Colonialism

This section discusses the historical context of colonialism in Asia, focusing on the period of European imperialism and its effects on the continent.

## III. The Introduction of Colonialism

This section discusses the historical context of colonialism in Asia, focusing on the period of European imperialism and its effects on the continent.

## IV. The Introduction of Colonialism

This section discusses the historical context of colonialism in Asia, focusing on the period of European imperialism and its effects on the continent.

## V. The Introduction of Colonialism

This section discusses the historical context of colonialism in Asia, focusing on the period of European imperialism and its effects on the continent.
