Professional Services

- Organizer of a special session in *Joint Mathematics Meetings*, Washington, D.C. 2009.
- Organizer of *Southeastern Analysis Meeting*, (SEAM XXV), USF, March 2009.
- Program Reviewer of Mathematics and Math Ed graduate program for Florida Memorial University, Mathematics Department, Miami (October 2008).
- Member of the American Mathematical Society.
- Member of Mathematical Association of America.
- Referee for the Proceedings of the American Mathematical Society; *Integral Equations and Operator Theory*; *Journal of Mathematical Analysis and Applications*; *Journal of Approximation Theory*.
- Judge for Mobile Regional Science Fair, Spring 2006.
- Referee for Annual Mobile Math Olympiad.

Teaching Experience

Courses taught:

- Precalculus, finite mathematics, calculus (all levels), linear algebra, ordinary and partial differential equations, real analysis (graduate and undergrad), advanced calculus, Fourier analysis, complex analysis, vector analysis, complex analysis (graduate course), functional analysis, measure theory (independent study).

Special seminars and courses organized:

- Math in Action, weekly undergraduate mathematics seminar, Fall 2006.
- Lectures in Invariant Subspace Problem, weekly faculty and graduate seminar, Fall 2006.
- Analysis Seminar, weekly faculty and graduate seminar, Spring 2004.
- Operator Theory Seminar, weekly seminar on operator theory, Fall 2003.
- Seminar in Analysis, special topic course in analysis, Summer 2000.

University Services

- Interdisciplinary Committee (2008-2009)
- Colloquium Committee (2008-2009).
- Library Committee Chair (2006-2007).
- Curriculum Committee Chair (2005-2006).
- Graduate Faculty Committee (2003{present).
- Calculus Review Committee Chair (2004{2005).
- Hiring Committee for Mathematics (2003{2004).
- Major advisor (2003{present).
