#### Part A - Fall Enrollment for Graduate Students

#### Enrollment as of the institution's official fall reporting date or as of October 15, 2016

#### **Graduate Students**

#### Race/Ethnicity Reporting Reminder:

- •Report Hispanic/Latino individuals of any race as Hispanic/Latino
- •Report race for non-Hispanic/Latino individuals only

#### **Graduate Student Reporting Reminder:**

- •Report <u>all</u> postbaccalaureate degree and certificate students as graduate students, including any doctor's-professional practice students (formerly first-professional)
- Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs, and students in these programs are undergraduate students.

Part C - Screening Question
Did any of your <u>first-time</u> <u>degree/certificate-seeking undergraduate</u> students (reported in Part A) enroll within 12
months of graduating high school or receiving their GED?
No, we do not have any first-time students who enrolled within 12 months of their high school graduation.
Yes, we have first-time students who enrolled within 12 months of their high school graduation.
You may use the space below to provide context for the data you've reported above.

#### Part E - First-time Bachelor's Cohort Retention Rates (Full-time)

### Retention Rates Full-time, First-time Bachelor's Cohort from Fall 2015

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2015 and retention based on August 1, 2016.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

•	Include only	full-time,	first-time	bachelor's	students	in this	cohort.
---	--------------	------------	------------	------------	----------	---------	---------

User ID: P4488409

#### Part E - First-time Bachelor's Cohort Retention Rates (Part-time)

## Retention Rates Part-time, First-time Bachelor's Cohort from Fall 2015

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2015 and retention based on August 1, 2016.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

#### **Retention Data Reporting Reminders:**

- Include only part-time, first-time bachelor's-seeking students in this cohort.
- Determine part-time using Fall 2015 attendance status (e.g. if a student was part-time in Fall 2015, report them in the part-time cohort regardless of their Fall 2016 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E7a) the number of students from the cohort who left the institution for any of
  the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including
  those called to active duty); to serve with a foreign aid service of the Federal Government (e.g. Peace Corps);
  or to serve on official church missions.
- Report in the inclusion box (line E7b) first-time bachelor's-seeking <u>study abroad</u> students who were excluded from the first-time cohort (line E6) but who have re-enrolled at the institution their second year.

			Prior data (	(Fall
